Dear Sir or Madam:

In an Office Action having a mailing date of June 19, 2008, the Examiner issued a Restriction Requirement with regard to the above-identified patent application. Generally, the Examiner indicated that Claims 1-18, Claims 19-27 and Claims 28-44 were distinct inventions. Applicants hereby elect to prosecute Group I, Claims 1-18, without traverse, in this patent application, and hereby withdraw the remaining claims. However, Applicants respectfully reserve the right to pursue all remaining claims in a subsequent divisional/continuation application.

Applicants also hereby petition for a four-month extension of time, thereby extending the time period for response from July 19, 2008, to November 19, 2008, and also submit herewith the amount of \$865.00 as the fee for such extension. Although the Applicants believe that no other fees are due for filing this Response to Restriction Requirement, please charge any fees deemed necessary to Deposit Account No. 50-1419.

Respectfully submitted,

MARSH FISCHMANN & BREYFOGLE LLP
